

## **Clinical Placement**

PACE Health Management pride ourselves on being the benchmark for exercise physiology services in Victoria.

In 2009 PACE Exercise Physiology was recognised as the National Exercise Physiology Practice of the Year. One of the key ingredients underpinning the success of our business is our commitment to developing our staff, our profession and our clients.

Recruiting the best student's for clinical placements and providing these students with the most varied, interesting and educational clinical experience is our strategy for recruiting the best new graduates. As such, our staff are highly committed to ensuring students have the opportunity to learn as much as possible in their time with PACE.

Our team are looking for you to demonstrate the following on placement – Initiative, Professionalism, Passion, Effective Communication Skills, Clinical and Practical knowledge and ability of learn new concepts.

All students who complete clinical placements with PACE Exercise Physiology may apply to be accepted for a [PACE Exercise Physiology Traineeship](http://www.pacehm.com.au/traineeship.htm) and subsequent employment with PACE. See: <http://www.pacehm.com.au/traineeship.htm> for more information

Please follow the application process below to apply.

Good luck, we look forward to working with you!

## **Application Process:**

Email Curriculum Vitae to [ash@pacehm.com.au](mailto:ash@pacehm.com.au) between these dates:

<b>March</b>	<b>21st - 28th</b>
<b>June</b>	<b>21st - 28th</b>
<b>October</b>	<b>1st - 8th</b>

Include: "PACE EP Placement Application 2011" and your name in the email.

Application submitted outside this period will not be considered

1. Briefly outline why you chose PACE for your placement.
2. Provide a typical schedule of your availability from Monday to Friday for each semester for placement.
3. What area of exercise physiology/science particularly interests you?
4. List the practical experiences/courses you have completed aside from your university course
5. Briefly outline your plans for the next twelve months in relation to your career/learning
6. Why should PACE Exercise Physiology offer you a clinical placement ahead of other applicants?
7. List the PACE locations you would be willing to travel to complete a clinical placement.

**At the conclusion of the placement application period you will receive an email to invite you to a clinical placement interview or inform you that your application has been unsuccessful this time. If you have not received an email 7 days after the application period closes please call PACE on 9770 6770 and ask to speak to Ashley Gardner.**
